A **Beretta Over/Under 686 Silver Pigeon 20/28 gauge Two Barrel Set** will be the other prize awarded. This is a great gun and the two barrel set makes it special. The retail value of this set is \$3,500.00.

The raffle will be limited to one-hundred and twenty tickets at \$100.00 each. The first ticket holder drawn will have their choice of an Upland Bird Hunt for 4 persons or the Beretta Over/Under Shotgun. The second person drawn will receive the other prize. Tickets are available from any Western Region Member.

The Western Region is very fortunate that we have this opportunity. Rather than doing a number of fund raisers during the year we are able to support our testing and training activities with this one raffle. To that end we are asking for your support.

The Board is asking that each member of the Western Region help with the marketing of the WR. You have received two WR raffle tickets and a copy of the WR Flyer.

We encourage you to make the tickets available to your family, friends, hunting companions, and acquaintances. It's a great opportunity to experience great upland bird hunting or win a very nice shotgun. Marketing of the tickets has been done in numerous ways:

- Individual purchase
- Two couples purchasing a ticket and splitting the cost
- Four hunting buddies splitting the cost of a ticket
- Four hunting buddies buying four tickets to enhance their chances

Please help with the marketing of the WR Raffle. If you need additional tickets please do not hesitate to contact Frank O'Leary at 509-520-7483 or frankol@pocketinet.com
